Underway

## Yacht Description

Clean design, harmonious lines, spacious and luxurious interiors. The Fjord 40 does not go unnoticed.

The hull of the Fjord 40, with its typical inverted bow, guarantees impeccable seaworthiness: no drop reaches the deck. Smooth maneuvering, fast glide and the joystick associated with IPS offers an absolute maneuverability. The main features of the deck are the “walk around” that guarantees space, safety and ease in reaching the forward sunset area. The stern swimming platform offers a large area where seat with your friends, offering a comfortable access into the water. The Fjord 40 is the perfect combination of size, comfort and performances for day trips and to enter the most striking bays of La Maddalena Archipelago and the coves of the Costa Smeralda.

Under way

The dashboard

Thanks to its advanced hull design the **Fjord 40** rides high on the water avoiding the sea spray.

The Fjord 40  
Open has taken  
luxury day  
cruising to
