## The Yacht

A beautiful cruiser, built by Fipa Italian Yachts and Maiora as the 31DP model in 2001, Amaya received a total refit in 2018 that included major interior and technical upgrades. Excellence, beauty and passion are the exclusive traits of Maiora as brand which are amazingly embedded within Amaya.

## The Style

Showcasing a modern-style décor with great attentions to lights and the choice of soothing coloured furnishings, the interior has a cozy and classy feel. AMAYA boasts an exceptional main-deck layout that allows for guests to enjoy private moments or the entertainment system in the main salon without disturbing others in the formal dining room.
